

## ASSA Review

### Application for State School Aid

- October 15, 2019 Count – Make Sure all of your schools have done an official count of students for that day. Use Class/School Rosters to do this (See email Memos) Most of this can be/should be done via your electronic student data base.
  - Be sure to include any students:
    - Just registering and have a class schedule
    - Home instruction
  - See work papers for other student information that must be gathered:
    - Students Sent to New Jersey Public Schools and County Special Services Districts
    - Students Received
    - Students Attending Regional Day Schools
    - Private Schools
    - Charter Schools – They verify this information
- Other information that must be gathered from applications and student information:
  - Low income - Application for Free and Reduced Price Meals
  - Bilingual/Limited English Proficient – LEP/English as a Second Language – ELL
  - Speech Only Students
